

**Kids Voting Volunteer Opportunities  
Presidential Preference and General Elections  
February 5<sup>th</sup>, 2008 & November 4<sup>th</sup>, 2008**

With the help of hundreds of volunteers from throughout the state, Kids Voting Arizona will reach every school in Arizona with the opportunity to participate in this year's Kids Voting Elections. Please consider filling one of the volunteer roles described below:

**Before the Election**

School Liaison: Kids Voting Arizona volunteers will call or visit schools and districts in their neighborhood to share information and materials about participating in the Kids Voting 2008 elections. Our experience shows that schools and districts are far more likely to participate if asked by a member of their own community. And so we ask you to volunteer by making that connection on our behalf. In return, Kids Voting will match you with a school and provide training, materials and other support to make your volunteer experience the best, and to make the most from the gift of your time.

**Election Day (2/5/08 and 11/4/08)**

*8:00 am – 11:30 am or 11:30 am – 3:00 pm (two shifts)*

Kids Voting Poll worker: Schools around the state are setting up polls inside their gym, library or media center. Kid Voting Volunteers will assist students (and teachers) throughout the day in one or both of two shifts. Volunteers may also be asked to take ballots at the end of the day to an arranged drop-off point for tabulation.

*3:00 pm – 9:00 pm*

Ballot tabulation: Volunteers (preferably in teams of two) will enter information from paper ballots into the online KVAZ voting system. Volunteers can be located wherever there is access to a computer and the Internet, even in the comfort of their own home. Volunteers may be asked to pick up ballots at an arranged pick-up location.

We'd love to have the gift of your time as a Kids Voting Volunteer. The first is to contact Kids Voting Arizona by returning the enclosed form or contacting KVAZ at:
